

## Grampound Road C of E School

## Improvement Priorities 2024-27

### Leadership

1. Enhance the quality of subject-specific teaching by integrating Rosenshine Principles and Adaptive Teaching methods.
2. Foster subject expertise among subject leaders to drive and improve curriculum development.
3. Optimise office administration by recruiting a new secretary and refining job share roles to ensure the school office operates efficiently.

### Quality of Education

1. Achieve good outcomes in line with or above national levels in core subjects.
2. Improve academic progress of children with special educational needs in year one.
3. Ensure consistent and high-quality delivery of non-core subjects throughout the school.

### Personal Development

1. Strengthen parental engagement through SPACE (supporting parents and children emotionally) classes for parents and children.
2. Continue to build on our approach to be a 'listening school' and form a parents working party to ensure the school and parents/carers work in partnership.
3. Strengthen and maintain good communications between teachers and parents/carers.
4. Improve children's access to high quality provision in the outdoors through Wild Tribe curriculum lessons.

### Behaviour & Attitudes

1. Increase pupil participation and engagement in lessons to support active learners, so all children stay focused throughout lessons and all children answer questions.
2. Recognise and respond to positive behaviour
3. Develop individual behaviour/inclusive plans to provide a consistent approach to create an effective behaviour support plan
4. Establish the Super 6's initiative to set high standards of behavior and responsibility within the school.

### Early Years

1. Strengthen the confidence and knowledge of subject leaders and support staff in teaching practices for EYFS, focusing on skill progression in continuous provision.
2. Improve the adult-child conversations to ensure high quality engagement and progress.
3. Improve the outdoors learning environment to ensure a broad range of resources facilitate children's play.
