

Wolf Rock Class 2021/22

Our floor book

Friday 7th January 2021

WALT: Introducing spreadsheets

I	T	TA	N
---	---	----	---

I can enter data into cells.
 I can describe and find a cell location in a spreadsheet using the notation of a letter for the column followed by a number for the row.
 I can create a table of data on a spreadsheet.

I now know how to open a spreadsheet
 (by getting into on it) and to save it.
 I have also learned that squares are called cells.

I now know that the squares are ~~rows~~ are cells.
 I now know how to put data on a spreadsheet.

I know how to record some things
 I know what cells are

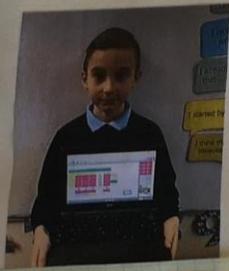

I now know that the squares are called cells.
 I know how to use a spreadsheet

I know how to create a table with a spreadsheet.
 I can insert data into cells on a spreadsheet

if how data works and totals together
 if how change values use color and add text

how to ~~edit~~ cells and I can use numbers by using the sum arrow symbol

→

I can insert data into cells
 I can create a table using a spreadsheet

I know how to calculate and total on a spreadsheet
 I know that the little boxes ^{on a spreadsheet} are called cells.

I have learnt how to use a spreadsheet and how to add the cells together.
 I have learnt how to use purple math better and have learnt how to use the arrow to total columns

Friday 7th January 2021

WALT: Partner sequencing

I	T	TA	N
---	---	----	---

I can work with a partner to show a variety of balances on the floor.
 I can work with a partner to show a variety of balances, with good body tension, on the floor.
 I can include matching, mirroring and contrasting balances.

Learning outcomes

Gold I can describe and demonstrate 5 balances with a partner to include matching, mirroring and contrasting balances on the floor and apparatus with good body tension.

Silver I can show 4 balances with a partner to include matching, mirroring and contrasting balances on the floor and apparatus with some body tension.

Bronze I can work with a partner to show 3 different balances on the floor and apparatus

- Success Criteria/top tips - 3 max
- Stillness
 - Body Tension
 - Eyes Forward

I watched Jacke and Fletcher.
 I enjoyed when they kept in time in their routine. They could improve on keeping their heads up. by session w

I watched Abi and Martha. I enjoyed it when they did their transitions and their different poses. To improve this performance they could stay in balance a bit more and know their next move.

I watched Lewis and Phoenix. I enjoyed it when they were held up on hands and a leg with a leg up making a side straddle. To improve their performance they should think about transitions and maybe timing.
 Abi

I watched Tom and... I enjoyed their... To improve their performance they should hold their poses for longer.
 Sean

I watched Tom and Harley. I enjoyed it when they were mirroring. To improve their performance they should hold the skills for longer. (3 seconds)
 Charlie

I watched Fletcher and Jake. I enjoyed it when they kept in time and their movements when changing. To improve their performance they should try keep their head up?

I watched Charly and... I enjoyed it when they did... To improve their performance they should try stay in sink.
 Lisa

I watched Florence and Elee. I enjoyed it when they were flipped over but Florence was flipped over but to improve their performance they should stop making words and just remember the routine.
 Charlotte

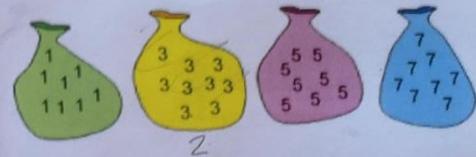

I watched Phoenix + Lewis. I enjoyed it when they went on their sides and in straddle position. To improve their performance they should work their transitions.

MATHS problem solving. 6th January 2022

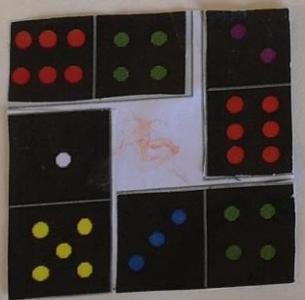

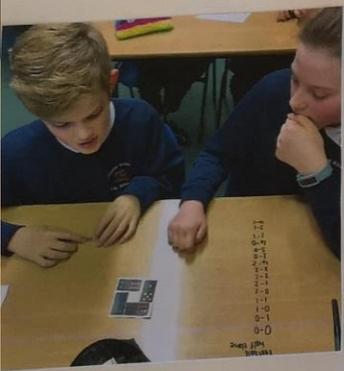

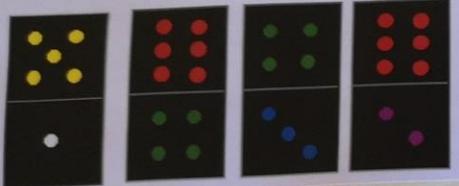

Four bags contain a large number of 1s, 3s, 5s and 7s.

Can you pick ten numbers from the bags that add up to 37?

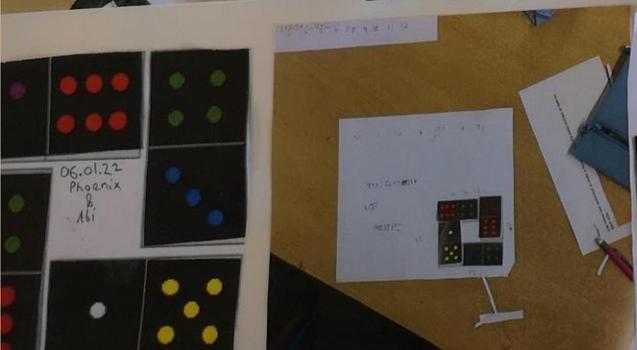

Use these four dominoes to make a square that has the same number of dots on each side.

When Spain played Belgium in the preliminary round of the men's hockey competition in the 2008 Olympics, the final score was 4 - 2.

What could the half time score have been?
Can you find all the possible half time scores?
How will you make sure you don't miss any out?

Thursday 13th January 2022

WALT: Know about a range of jobs carried out by people I know and explore how much people earn in different jobs.

WALT: Appreciate the contributions made by people in different jobs.

* Acting *

I want to be an Actor. I'm going to stay at Theater club. Try harder I's I go to university. And might get a Job ASS on Actor like my mum. And might go on T.V. which would be really cool.

* My Dream *

When I'm older I would like to be in the military with a German Shepherd and live in the forest in a cabin in peace.
I would like to go to university and train college

My goal is to either be an Artist Photographer, Animator, Game/Witchcraft/Fashion Designer shop owner.

I think I can achieve these by practicing.

-Ellie-Mai T

Be a vet and volunteer at animal rescue or a good education then volunteer at rescues to become a vet.

I will try and get a good education then volunteer at rescues to become a vet.

café maybe

My hobbies might be baking animals surfing and the sea.

When I'm older I want to be a tattoo artist or a parent.

The reason I want to be a parent is mainly like kids but they can be annoying

(Most the time)

Em

To be a vet I'll have to learn hard be good animals and know what they're are. I will also need to what is wrong from they do and examine them.

My ambition is to become a pro-skater and pro-surfer.

If that doesn't happen, I will be an architect or interior designer. I can achieve these goals by working on my skating and surfing. My hobbies would be skating, surfing, tennis and music. I would also like to be sponsored by vans.

My ambition is to be a

Soccer Player and to make this happen I will have to keep practicing and to never give up.

-cam

Friday 14th January 2022

WALT: Wild Tribe: Introducing safety rules

I can play team building games

I can stay safe when using special tools

We were creating mazes.

We looked at some special tools.

We found a perfect place for our fire pit and to make a hot chocolate.

Friday 21st January 2022

WALT: Design a wallpaper piece based on the work of William Morris

I T TA ST N

I can design a piece of art using a design as stimulus
I can do the above and explain my design making links to the Victorian period
I can do the above and give feedback to my partner

Friday 21st January 2022

WALT: Work with a partner to practice jumping and rolling in cannon and unison with good body tension.

WALT: Evaluate performance on self and others.

Gold I can perform challenging jumps and rolls with a partner in unison and cannon with good body tension. I can include these actions in a sequence and can evaluate my performance and that of others for improvement.

Silver I can practice jumping and rolling with a partner in unison and cannon, include in a sequence and improve my performance, through evaluation.

Bronze I can practise jumping and rolling with a partner in unison and cannon, include in a sequence and evaluate my performance.

I watched Fletcher and Harley. My feedback was: Their timings and transitions are great and they could work on their teddy bear rolls

I watched Campbell and Charlie. My feedback was that they have to time their jumps.
Oscar

I watched Fran and Ketsia. My feedback was: I liked how all six of the jumps went together well and they were reasonably in time. The only thing I thought could be better is a roll added in.

I watched Jess, Sean and Charlotte. My feedback was: that their routine was good they jumped at the same time but they were silent I think they jumped at the same time because of their wrist.

I watched Oscar and Maisie. My feedback was that I thought they did a few too many actions.

I watched Florence and Amira. My feedback was: that I really liked the start with one of them did a forward roll and the other a backward roll
from: Charlotte (green girl)

WALT: What can we find out about Jewish communities in Cornwall and further afield?

I can show the diversity of people who are part of the Jewish community.

I can give names of different types of Jewish community.

I can explain one difference between two different Jewish communities.

New to Cornwall?

There are many different Synagogues in Devon and Cornwall, a synagogue, also spelled Synagoga, in Judaism, a community house of worship. In an Orthodox Synagogue, the men and women have to sit separately and only men can be trained to be a rabbi. In a Reform Synagogue, men and women can sit together, men and women can both be trained to be a rabbi.

Map of Cornwall

WALT: Wild Tribe: Using tools safely to whittle wood and making beads.

I can recognize Elder, Willow and some herbs

I can stay safe when using special tools.

We boiled water and made delicious hot chocolates for everyone!

We already know how to use tools like sheath knives and veg peelers safely, so we made jewellery out of Elder. Using cutting, whittling and carving skills, we have decorated beads and made stylish bracelets and necklaces.

No because the answer was 1 so it is not the same as a quarter.

$$\frac{10}{32} = \frac{5}{16}$$

$$\frac{10}{32} = \frac{5}{16}$$

$$\frac{2}{4} \times \frac{3}{8} = \frac{6}{32} = \frac{3}{16}$$

PIC•COLLAGE

11/02/2002
Wild Tribe: Hello Marshmallow!

We were creative and imaginative making our little people out of Willow.

We toasted marshmallows and made popcorn on our fire pit.

PIC•COLLAGE

★ when are you happiest on saturday
what are you grateful for my base

what makes you
happy
my mum

What am I grateful for?
I'm grateful for my family.

When am I the happiest? When my parents spend time with me.

What makes me happy? My pets, friends and parents.

When are you the happiest?
when I'm eating

What are you grateful for?
my friend and family, pets

What makes you happy?
having someone always there for me.

When are you happiest?
I'm happiest when I am with my family and friends. I am also really happy when I am at the station, searching and boarding. When I learn new tricks and get lots of air is when I enjoy it best. I am really happy in the sun, water and learning new tricks. Being in the water makes me feel really good and it is really good for me.

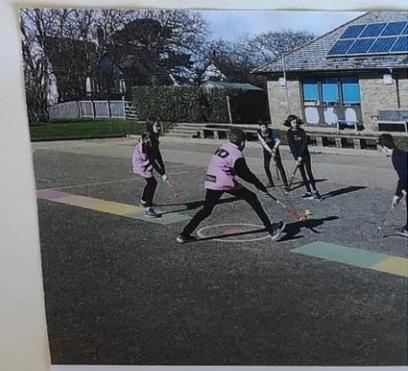

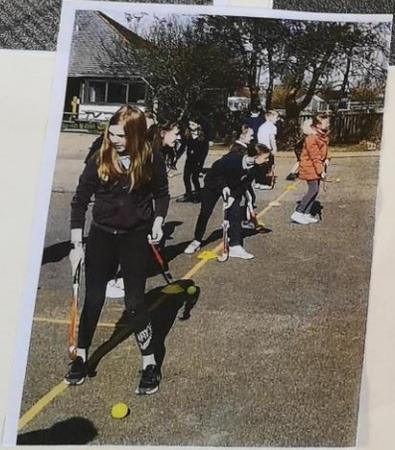

What makes you happy?
Doing anything at the skate park and being in the water. I also enjoy guitar and making up songs. Spending time with my friends also makes me happy.

What are you grateful for?
I am grateful for all my family and my dad for always supporting me through everything. You're my hero and I love you very much.

WORLD
BOOK DAY
Thursday 3rd March 2020

It's a Fabulous Friday today and Wild Tribe time.

While we were learning how to make knots, we were talking about our mums as it is their day coming soon. We were making dreams catchers out of Willow sticks, using knotting skills and our creativity.

The Wild Tribers were planting daffodil bulbs to brighten up Mothers Day and to add some fresh colours around our lovely school.
