W O L F R O C K	Arlo for his maturity.  	Alice for always being respectful when lining up and coming back into class.	Class award to everyone for your incredible efforts during Geography with Mrs Wilton.

# NURTURE GROUP

Over the last two weeks we have enjoying our new groups. We have been learning about each other and our emotions by looking at our faces to recognise how we look happy, sad, angry etc. We have drawn self-portraits showing our emotions. We are displaying these in our nurture room. We always have a chat first about how we feel and why and then we have some time working on an activity and then have some free play. Snack is an important part of nurture as all sitting together and sharing food and chatting together is important. We then close our session with a story. Thank you for a lovely start to our new term.

This week Trevoise enjoyed looking at the beautiful painting showing the continents that Vesper had enjoyed doing at home. This consolidated the learning from the week about the continents and we have displayed it in our classroom.

**Thank you so much for sharing this with the class.**
