Our library is looking fabulous

This week the Education library service came to help us restock the library. We have new graphic novels, easy readers, longer reads and dyslexia friendly texts.

We have started to arrange our library in authors, and then keeping Accelerated Reader levels within this. The pupils were so excited when they saw our new books and hopefully they are sharing them with yourselves at home.

We are still taking any donations of books that you no longer need at home and will strive to access more grants to purchase further texts (fiction and non-fiction)

Have a fabulous weekend and enjoy a book together!
Miss Theobald
