

## Let's Explore

This project supports children with settling into the new rules and routines of school and encourages them to make new friends and feel confident in their class. It teaches children about being helpful, kind and thoughtful at home and at school.

We will share lots of books about starting school and will talk about all of the different communities that the children belong to.

The whole class will go for a walk around our school community, looking at the whole school environment and meeting adults that work here.

Children will talk about their walk around the school and recall who people are and what happens in the different rooms around the school.

Children will learn that Christians believe that God created our world. They will think about the wonders of the natural world, expressing ideas and feelings. Children will know how and when Christians like to thank their Creator.

## Vocabulary

Community	A group of people who live close together or have shared interests.
Environment	the surroundings or conditions that a living organism (people, animals, plants) finds themselves in.
Unique	Being the only one, different from all of the rest.
Routine	A regular course of action.

The children will learn the class and school rules and routines.

Every child will make a picture of a fantasy world by drawing or painting with a choice of mediums.
